

ROUTE 66 ULTRARUN RESOURCES ALONG THE ROUTE

During the Route 66 UltraRun runners – although you don't have to run, you can walk the entire course within the time limit – will cover 140 miles of historic Americana on foot, supported by a dedicated crew of two to four people. Your co-Race Directors (RDs) are Marshall Ulrich and Heather Ulrich bringing you this event through Dreams iN Action, a Colorado limited liability company (DNA, LLC).

Welcome to the fun!

Your RDs have fallen in love with this portion of Historic Route 66, including the people and the businesses that work every day to keep it alive. Many of them supported us when we did “The Walk” to raise funds for the Alzheimer’s Association in February/March 2022: 6 Marathons in 6 Days on Route 66, which inspired us to create this race for everyone. These people have continued to work with us in promoting and supporting the Route 66 UltraRun. Like the ultrarunning community, these are good people. We know both groups will be happy to meet each other, and make new friendship along the way.

We encourage you to stop, stay, shop, dine and get to know the incredible folks along Route 66!

In addition to general information about location, hours, etc., we've also provided a bit of history for the iconic stops along the way. If you don't have time to truly experience these places during the run, we encourage you to do so after the finish. If you finish 'early' – any time on November 12 or early on November 13 – please take the time for you and your crew to go back out along the route and visit and patronize these cool places and hard working people *before joining everyone at the post-race dinner and awards ceremony (party!) at Topock66 Colorado River the evening of November 13*. If you expect finish late on the November 13, we encourage you to come out early, or stay longer, to do the same. You won't be disappointed.

This document also has key phone numbers for your RDs, medical staff, race marshal, and first responders along the Route. Please **PRINT THIS DOCUMENT AND BRING IT WITH YOU** to the race to keep in your crew vehicle. In an **emergency always dial 9-1-1**.

PLACES TO STAY

See the race website www.Route66UltraRun.com for places to stay along the Route, including in Seligman, Peach Springs, Kingman, Oatman, and Topock. The website also has detailed information about Getting There and Back to assist you in making your travel and race plans.

SOURCES BY CITY/LOCATION

This section provides information by location for resources you will or might need while you're out there on the Route during the race, including groceries and shopping, restaurants, drug stores, gas stations, and rest rooms; with special sections on towing and emergency service we hope no one will need. As a general reminder:

In an emergency always dial 911

We have purposely put page breaks in this document to separate each location on the Route. Again:

**PRINT THIS DOCUMENT AND BRING IT WITH YOU
TO KEEP IN YOUR CREW VEHICLE DURING THE RACE**

Having this document in your crew vehicle is required in the race rules; plus, it will help you and your crew immensely during the race. So, just make sure you have it.

You must also have the "Shared Medical Information Form" for the runner and each crew member in your crew vehicle during the race. See the RULES and FORMS document for details and a copy that shared medical form.

SELIGMAN

Race Mile (RM) 0 Mile Post (MP) 140

Described on the website <https://www.visitarizona.com/places/cities/seligman/> as

*A quirky small town along a preserved section of
Route 66 captures a vibrant slice of Americana . . .
Seligman preserves the Americana of yesteryear
at the beginning of the scenic drive [or for you, UltraRun!]
that is the longest remaining stretch of Route 66 in the United States.*

We couldn't agree more, and we love it. We are thrilled to have all of our participants, crew folks, volunteers, and staff come to Seligman no later than November 10 for the pre-race meeting and stay overnight, enjoying all that the town has to offer. Then, line up for the start of the Route 66 UltraRun on November 11 in front of the place where it all started:

Angel and Velma Delgadillo's Original Route 66 Gift Shop

22265 Historic Rte 66 (928) 422-3352

8:30AM – 6PM normally, but they will open early (appx 6:30AM) on race day, November 11.

Angel Delgadillo himself will start the race! We recommend getting your Seligman Route 66 souvenirs at Angel's Gift Shop, but also encourage you to visit the numerous other quirky and wonderful historic shops along the Route. At the start you will be paced through town by classic cars from the heyday-years of road trips on Route 66 in the 1950s and 60s.

When you're in Seligman, here are some of the other businesses we encourage you to patronize.

Groceries and Shopping

Seligman Grocery Market

This is a modest, small-town grocery, but check it out for last minute food needs.

54130 Main St (928) 422-7010

8AM – 6PM

Family Dollar

You might also find items you need, including drugstore-type supplies at the Family Dollar.

22765 W Historic Rte 66 (928) 293-3117

8AM – 10PM

Historic Route 66 General Store

Check out the General Store, as they just might have everything you need from hardware, such as painter's tape to adhere your "CAUTION RUNNER ON ROAD" signs, sporting goods, camping gear, Historic Route 66 Memorabilia, cold drinks, and "Fast Food Snack Bar."

22940 Historic Rte 66 (928) 422-3549

7AM – 8PM

Restaurants

Delgadillo's Snow Cap

No trip to Seligman would be complete without grabbing a burger, taco, or milkshake – they recently served 266 flavors of milkshakes, a World Record! – at Delgadillo's Snow Cap, built by Angel's brother Juan from scrap lumber he gathered while working for the railroad. Juan opened the Snow Cap in 1953 and, while he passed in 2004, the family business is still open – until about Thanksgiving, so they will be open November 10 before the race. Yeah!

301 W Chino Ave – really on Historic Route 66, next to Angel's shop (928) 422-3291

Mon-Sat 10AM – 6PM, Sun 10AM – 5PM

Westside Lilo's Cafe

The café was originally a hobby shop that opened in 1954 and became a restaurant a few years later. The restaurant was closed in the early 80's and remained closed until it was purchased by Lilo in 1996. Lilo opened the restaurant with the help of her husband Patrick and daughters, Nancy and Brenda. Famous for their giant cinnamon rolls, German-inspired food, pies – and Heather recommends the carrot cake: it will fuel your entire team! – give them a try for breakfast, lunch, or supper (that's dinner to some of you).

22855 Historic Rte 66 (928) 607-2307

7:00AM – 8:00PM normally, but we are working with them to open early for breakfast on November 11 so you can fill up before the race start at 7AM

Roadkill Cafe

If you're staying at the Historic Route 66 Motel, be sure to ask about getting a discount at the Roadkill; they're owned by the same good folks, the Pope clan. They also own the General Store and the RV park. If you kill it, they'll grill it. 😊 The portions are very generous, and the food is great. You should also check out the gift shop inside the restaurant.

22830 Historic Rte 66 (928) 422-3554

8AM – 8PM

Drug Stores

There is no drug store in Seligman, but you might find what you need at the grocery store, General Store, gift shops, and gas stations shops. The only place with a 'real' drug store (Walgreens) is Kingman.

Fuel

We suggest you fuel up the evening of November 10, so you don't have to worry about filling up after the race starts at 6AM on November 11.

Chevron

When you're here, be sure to look around: you can't miss the world's largest Route 66 sign painted on the building next door. Talk about an iconic must have photo op!

527 W Chino St – really right on Historic Rte 66 (928) 422-7866

6AM – 10PM for the store, but the pumps are open 24 hours

76

This station is in front of the General Store, right across the street from the Chevron

22940 Historic Rte (928) 422-3549

7AM – 8PM

Rest Rooms

Please use the bathroom in your hotel room the morning of the race. If needed, you may use the bathrooms at Vilma and Angel's gift shop; please make a purchase if you would, or perhaps you already will have done so. The Delgadillo kids are often working in the shop, or their awesome employees, and they are incredibly friendly – get to know them! You may also use the restrooms at the gas stations that are on either side of the Route as you head out of town to start supporting your runner.

GRAND CANYON CAVERNS

RM 25 MP 115

The Grand Canyon Caverns were created over 65 million years ago, formed within the limestone that was once the bottom of an ancient inland sea that divided North America. These are the largest dry caverns in the US. While you won't have time during the race, we encourage you and your crew to go back out and do one of the tours, as you don't want to miss seeing the (how many toes?) sloth and other, literally, cool things in the caverns. These caverns are right along Route 66 – not at Grand Canyon National Park. If you're especially daring – at least in Heather's opinion – think about staying a night in the Cavern Suite . . . if you want to experience a bit of sensory deprivation.

There is a large parking lot in front of the motel (The Caverns Inn) here, but the following services are all a 1-mile drive back (south) to where you sign up for and take the canyon tours. Follow the signs for the cavern tours, and watch out for dinosaurs along the way!

Mile Marker 115, Historic Route 66 (928) 422-3223

The restaurant is open Noon – 3PM, serving diner-type food: for example, burgers and salads.

Very limited groceries (sodas, snacks) in the gift shop 9AM-5PM, when tours are available.

No drug store and no fuel available at this location. There are public restrooms, but please make a purchase.

PEACH SPRINGS – HUALAPAI RESERVATION

RM 37 MP 103

Peach Springs, which owes its name to the peach trees that historically grew at nearby springs, serves as the administrative headquarters for the Hualapai (pronounced Wal-lah-pie) – or “People of the Tall Pines” – Tribe and is home to approximately 1,300 tribal members, and others. The reservation was established by executive order in 1883 and encompasses about one million acres along 108 miles of the Grand Canyon and Colorado River. Note that the reservation is dry: no alcohol sales, no alcohol served at the restaurant. Since alcohol is not allowed during the run, this isn’t an issue. But, if you come back to the Lodge with your crew to, maybe, go to Grand Canyon West, plan ahead, as you will have to purchase alcohol off the reservation (closest location is the Gas and Grub in Truxton) if you want a glass of wine or beer at happy hour.

There is no casino gaming on the Hualapai Reservation. Tribal administration, public schools, and state/federal government provide the bulk of current full-time employment. The principal economic activities are tourism, cattle ranching, and arts and crafts. An outdoorsman’s paradise, the reservation is rich in hunting, fishing, and river rafting opportunities. The Tribe sells guided big-game hunting permits for desert bighorn sheep, trophy elk, antelope, and mountain lion. The Hualapai River Runners, the only Indian-owned and operated river rafting company on the Colorado River, offers one and two-day trips during the summer, but will not be operating in November; a reason to come back another time!

Another Tribal enterprise is Grand Canyon West on the Hualapai reservation at the west rim of the Grand Canyon. Offering an alternative to the Grand Canyon National Park, the enterprise offers tour packages that can include spectacular views from the “Skywalk” (a glass bridge that enables visitors to walk beyond the rim of the Grand Canyon at 4,000 feet above the Colorado River), helicopter and boat tours, and other excursions on the reservation.

Groceries, Shopping, Drug Store Items, Fuel

We hope to have Tribal Administration send out an email blast to Tribe members, encouraging them to set up booths at the Route 66 park, directly across from the Hualapai Lodge (the beautiful hotel in town) to sell their arts and crafts, including jewelry, on November 11. Heather was lucky enough to get some beautiful earrings and a necklace during the Fun Run – an annual event with thousands of classic cars that is the main fundraising event for the Historic Association, and now our race – and can attest to the quality

and beauty of their work. The store at Cool Springs carries some artwork by Hualapai Tribe members, as well as some Navajo work.

The only store, and gas station (diesel is available) in Peach Springs is at the Market, which is well stocked, including a few drug-store-type items, a pretty nice produce section, and a small bakery. It's across the street from the Lodge, next to the Route 66 Park.

Walapai Market and Gas Station

885 E Highway 66 (928) 769-1500

6:30AM – 8:00PM for the store; gas pumps are available 24 hours

Restaurant

The only restaurant in Peach Springs is in the Hualapai Lodge.

Diamond Creek Restaurant

900 E Highway 66 (928) 769-2800

6:30AM – 8:00PM

Rest Rooms

If you have a room at the Lodge – which we highly recommend for runners that anticipate taking longer than 24 hours, and especially if you expect to take 40 to up to 60 hours, so you can exchange crew members and have a place to rest – please use the bathroom in your hotel room. There are public restrooms at the Market but please make a purchase.

TRUXTON – GAS AND GRUB

RM 46 MP 94

This gas station is just outside the border of the Hualapai Reservation, and does have both gas and diesel. There is small store typical of other gas stations: limited groceries (sodas, snacks), a few items to heat up in their microwave, like burritos and frozen pizza, coffee if the pot is on, and limited drug store-type supplies. The restroom here is a porta potty in the parking lot to the right of the store.

16277 E Highway 66 (928) 769-1880

6AM – 9PM

HACKBERRY GENERAL STORE

RM 60 MP 80

In 1926 when Route 66 was aligned in the area, service stations opened along the highway and the Hackberry General Store opened. Business declined when Route 66 between Kingman and Seligman was bypassed by I-40 in late 1978. The store came back to life thanks to Route 66 artist Bob Waldmire who operated it from 1992 until 1998. Bob had traveled the road in his orange 1972 Volkswagen Microbus and was the unofficial inspiration for Fillmore in the Disney/Pixar movie *Cars* (if you haven't seen it, or not recently, *you need to watch the movie Cars!*). From 1998 through the end of 2015, the store was spruced up and operated by John Pritchard, who used his own collection of Route 66 memorabilia, plus black and white photos of the Golden Age of Hollywood, to create, in essence, a museum. Since January 2016, the store has been owned by Amy Franklin, who has left it mostly untouched as a microcosm of Historic Route 66, including a re-created 1960s diner, complete with a jukebox and black and white tile floor, license plates, currency from around the world, gadgets, signs, mementos, billboards, and artifacts from the 1940s through the 1960s. It is a journey through time to stop at the shop, so be sure to go in: the store has all kinds of Route 66 souvenirs so you can pick your choice!

Photo ops outside the store include the rustic store front, vintage cars, the tin-can billboard, nostalgic gas pumps, craggily mountain faces, old blacktop, and scenic vistas.

There are limited drink and snack options and some drug store-type items. There is no restaurant, nor fuel available at Hackberry. They do have public restrooms but please make a purchase. And say hello to Amy or her employees.

9AM – 5PM

ANTARES – GIGANTICUS HEADICUS

RM 65 MP75

Was the gigantic tiki head placed by aliens? Perhaps! Come check it out for yourself in Antares, situated along the longest continuous curve on the Route, approximately 2 miles, and offers fantastic views into the Arizona desert. The location, formerly Kozy Corner Trail Park (“Cozy Cone” ring a bell, Sally? *Again, watch Cars!*) features Giganticus Headicus, a 14 foot tall Tiki style head created in 2003 and 2004 by local artist Gregg Arnold. Some of Arnold’s other art projects are displayed around the location. Let us know if you would want to battle the Guardian of the Route. The retro signage is groovy!

At the store you can purchase some drinks and snacks, as well as memorabilia and gifts. There is no restaurant, nor fuel. They do have public restrooms but please make a purchase.

9AM – 5PM

KINGMAN

RM 78.5 to 90 MPs 60 to 51

Note that, within the city of Kingman, Historic Route 66 is called Andy Divine Avenue.

Kingman is at the Heart of Route 66, and the largest city with ‘typical’ resources such as grocery stores, drug stores, restaurants and micro-breweries, bakeries, gift shops, an historic downtown, museums, and so much more. This resource document focuses on the stores, gas stations, etc. immediately along the Route where runners will be traveling.

Note that the race time station will be next to the parking lot of the Historic Powerhouse Visitor Center. The main building was completed in 1909 with the back additions added in 1911. The Powerhouse supplied power to Kingman and area mines until Hoover Dam began producing power in the late 1930s. In the 1990s the building was restored to house the Visitor Center and Route 66 Historic Association Gift Shop and Museum. You will want to check them out, either during the race if you have time and pass through when they’re open, or after the race when you come out to delight in all the Route has to offer.

Groceries and Shopping

The grocery store right along the Route, thus the most convenient, is Bashas’. There is also a Safeway in Kingman (3125 Stockton Hill Rd), but it is less convenient. These are regular, large, city grocery stores with everything you might need.

Bashas’

2260 E Andy Divine Ave (928) 757-7162

6AM – 9PM

Restaurants

Again, there are numerous options, but here are a few options along the Route.

Strombolis

1968 E Andy Devine Ave (928) 718-0058

Mon-Sat 11AM – 11PM, Sun 2PM – 10PM

Thai 66

2018 E Andy Devine Ave (928) 529-5777

11AM – 3PM and 4PM – 9PM (closed from 3-4PM)

Mr. D'z Route 66 Diner

A great, iconic, and fun place for a burger, fries, and a shake or a good-old-diner breakfast, Mr. D'z is right across from our time station at the Powerhouse Visitor Center.

105 E Andy Devine Ave (928) 718-0058

7AM – 9PM

Drug Stores

The drug store right along the Route, thus the most convenient, is Walgreens. There is also a CVS in Kingman (3501 Stockton Hill Rd), but it is less convenient. Both are your typical, large, chain drug stores with everything you might need.

Walgreens

1925 E Andy Devine Ave (928) 718-0058

8AM – 10PM

Fuel

There are numerous options but, again, here are two that are the most convenient.

Texaco

The Texaco is right where runners will cross, at the light at Airport Ave, from the left-hand shoulder to the sidewalk on the right-hand side of the road. The gas station store is open 24 hours if you need something in the middle of the night.

3461 Andy Divine Ave (928) 692-6666

Open 24 hours, with diesel available

See the next page for more information for Kingman

Crazy Fred's Truck Stop

Crazy Fred's Truck Stop is past the Powerhouse time station: it will be your 'last chance' to get supplies as you're heading out of Kingman, just before you make a right-hand turn to go under I-40, then make a left-hand turn onto the 'Oatman Highway' – which is what Historic Route 66 is called from this point, through Cool Springs, over Sitgreaves Pass, and down into Oatman.

2770 Historic Rte 66

There is also a restaurant here, open 6AM – 8PM

Fuel pumps open 24 hours, with diesel available

Rest Rooms

If you have a room in Kingman – which we highly recommend for runners that anticipate taking longer than 24 hours, and especially if you expect to take 40 to up to 60 hours, so you can exchange crew members and have a place to rest – please use the bathroom in your hotel room.

There are public restrooms at the gas stations and restaurants in Kingman, and at the Powerhouse Visitor Center from 9AM–4PM. We are working with the City of Kingman to get a porta potty w/ hand washing at the time station to be available 24 hours.

COOL SPRINGS

RM 107 MP 33

Cats have nine lives. Phoenix' rise from the ashes. Cool Springs gives them both a run for their money! This nifty old rough stone service station was built in the 1920s, flourished in the 30s, 40s, and 50s, only to be abandoned in the early 1960s, and burned down in the mid-60s. It was briefly brought back to life in 1991 when Hollywood used it as a location for their movie "Universal Soldier." Then, they blew it up, leaving it in ruins once more. It would stay this way until it was resurrected in 2006 as a gift shop offering Route 66 souvenirs and one of a kind Cool Springs memorabilia, as well as serving as a mini museum. Located on Route 66, also known as the Oatman Highway in this area, Cool Springs is nestled in the shadow of Thimble Butte (*another scene featured in Cars*) just before the road climbs into the Black Mountains up Sitgreaves Pass to Oatman. Plan to spend some time in the area exploring, and be sure to get photos of the building with Thimble Butte in the background.

At the store you can purchase some drinks and snacks, as well as memorabilia and gifts. The store has some artwork by Hualapai Tribe members, as well as some Navajo work. There is no restaurant, nor fuel. They do have public restrooms but please make a purchase.

OATMAN

RMs 115-116 MPs 25-24

There's no place like Oatman! Where else do you have wild donkeys, descendants of the beast of burden used by miners, wandering the streets, looking for handouts? And possibly a bag of roasted nuts or a purse to snatch (be careful!). Plus, covered sidewalks, plank floors, and corrugated tins walls giving it an authentic Old West feel, which is further enhanced by gunfights in the street. When Route 66 abandoned Oatman, mining kept it alive, while tourism is the primary source of revenue today.

There are numerous stores to explore and make your purchases; but be sure to stop by **Fast Fanny's Place, 141 Main Street** (on the not-so-far, south side of town on the left-hand side as you travel through) and say hello to April Etue. April has been a great ally to your RDs, source of information and connections, and supporter of the Alzheimer's Association in memory of her mom. We love April and all of the business owners in Oatman who, like everyone else along the Route, work hard each and every day to keep the history alive and want to share it with people like you.

There is no fuel available in Oatman, nor are there any drugstores. This a fun, quirky, unique, old west and historic mining tourist town that we know you will enjoy! Just passing through Oatman during the race won't be enough to soak it all in, so be sure to come to back to get the full experience.

Groceries and Shopping

In addition to the numerous options for memorabilia and gifts, you can patronize these stores for things like sports drinks and snacks.

There are porta potties available 24 hours across from the time station on the north end of town, as you first enter Oatman. There are also public restrooms on the south end of town open during business hours, and we are working with the Chamber of Commerce to have them open overnight November 12–13.

TOPOCK AND GOLDEN SHORES

RM 134 MP 6

After you leave Oatman, pass Boundary Cone and the turn to Laughlin (no detours for gambling) and travel approximately 18 miles, you will pass through Golden Shores (some businesses here have a mailing address of Mohave Valley) and Topock. Note that the town of Topock is approximately 4 miles before the business location of Topock66 Colorado River, where the race FINISH line will be, and we will host the post-race dinner and awards ceremony (party!) the evening of November 13.

You may use the restrooms at these businesses if, as always, you to make a purchase. There are no grocery or drug stores along Route in Golden Shores nor Topock.

Groceries, Shopping, and Fuel

There is a gift shop and small general store, as well as a restaurant, at the finish line: **Topock66 Colorado River**. See below. These other businesses are options for shopping and, in the case of the Texaco, fuel in the towns of Golden Shores and Topock

The FINISH line, and post-race party gathering place. Here's an edited version of their story, from <https://topock66.com/about/>

In 2004, Chet Hitt received a phone call that the Topock Marina, where his family had their vacation home, had been sold to a developer. Chet immediately drove to Topock to discuss the developer's plans for the Marina. When he asked the new buyer for a long term lease, he was told that the homes and businesses were to be demolished to make way for a Private Marina and Condominium Complex. After another unpleasant encounter with the developer, Chet went to the Owner of the Marina and told him "If this guy can't close escrow in 30 days, I'll buy the place myself." To his surprise, the deal with the developer fell through, and Chet found himself stuck with a Marina and Restaurant, a business he knew nothing about. Determined to make lemonade out of lemons, he started putting together a team to help him run all facets of the business, including the Restaurant and Bar, which was sliding into the river and had to be torn down. After a two-year permitting process, followed by two more years of re-engineering, re-permitting and of course the beginning of the 2008 economic downturn, Chet never gave up (*does that sound familiar, ultrarunners?*) and in 2011 finally got the Seawall approved and built, and made progress on the Restaurant, Bar, and Retail Space. Finally, on July 19, 2011, the first phase of Topock66 opened to the public. Since then, many returning customers, and new ones, have enjoyed the great food and fun atmosphere of Topock66. Never one to rest on his laurels, Chet is now working on building a unique, modular hotel at the site; we can't wait to book rooms there for our finish line volunteers next year, and many years to come.

Come enjoy breakfast, lunch or dinner with views that will blow you away. Located on the Colorado River Topock66 Marina and Riverstore is a one-of-a-kind destination that draws people through-out the country to come and enjoy. With an outdoor patio and pool area with swim-up bar, this is truly the party destination off Route 66. Come make some memories with them and get your Kicks on Route 66!

Of course, this is the location of our finish line and the post-race party.

Come on in and at the restaurant and shop at their general store!

- When you return to the course after staking out
- If your runner decides to withdraw from the race

If you can't reach Heather on her cell, next try RD Marshall Ulrich on his cell (970) 380-3769. If that also doesn't work, then call a member of the medical team directly, followed by a Race Headquarters number.

Medical Team Cell Phones

Dr. Bob Haugh (270) 217-4097

Jill Andersen (760) 920-2934

Race Headquarters Locations

As noted above, if you need response from our medical team, need to stake out (then return to the course), or need to withdraw from the race, first attempt to **call Race Director Heather Ulrich on her cell (720) 320-2613**. Then RD Marshall Ulrich on his cell (970) 380-3769; then a member of the medical team directly; followed by calling one of these Race Headquarters numbers.
